

COMPANY PROFILE

About HAC

Hesham Abbas for Consulting

We are a consulting firm that offers comprehensive consultancy services to clients across a wide range of industries on a local and regional scale. Our expertise lies in assisting clients in successfully obtaining ISO certification and accreditation. While traditional Auditing/Consulting & Training Organizations sell information, we provide complete and strategic solutions aimed at advancing individual and organizational performance.

We work in partnership with our clients to fully understand their business needs and requirements. We are proud to have partnered up with top clients in different industries in the middle east.
